

REVISION HISTORY

This appendix documents the revisions made to the *National Forest in the Sierra Nevada: A Conservation Strategy* (Britting et al. 2012) which was first issued on August 27, 2012. The footers of the pages in the sections noted below have been changed to reflect the new revision date for that specific section.

The recommended citation for the most recent revision is:

Britting, S., Brown, E., Drew, M., Esch, B., Evans, S. Flick, P., Hatch, J., Henson, R., Morgan, D., Parker, V., Purdy, S., Rivenes, D., Silvas-Bellanca, K., Thomas, C. and VanVelsor, S. 2012. *National Forests in the Sierra Nevada: A Conservation Strategy*. Sierra Forest Legacy. August 27, 2012; revised in part March 13, 2013. Available at: <http://www.sierraforestlegacy.org>

The original document and subsequent revisions are posted on the Sierra Forest Legacy website (<http://www.sierraforestlegacy.org>).

Date of Issue	Section Revised	Nature of Revision
August 27, 2012	Original document issued	None
March 14, 2013	Front matter	Revision date
	Table of contents	Appendix on revision history
	B. Structural Diversity of Forests and Adjacent Habitats	Inclusion of information relevant to black-backed woodpecker
	C. Maintain and Restore Old Forest Habitats and Associated Species	Corrected reference to Appendix C
